Dear Mr. Parsons,

Re: Extension of Deadline

As communicated with Anne Marie Thistle, Director Membership Services, via email yesterday morning, we have committed to getting the union information regarding the absenteeism issue at the Ekati mine by tomorrow, June 1st, 2018. As a result, we will be extending the deadline for the union to present alternative proposals to Dominion to close of business Friday, June 8th, 2018.

We welcome the opportunity to discuss this issue and will make ourselves available next week to allow for productive discussions. Please feel free to reach out to me on my mobile at any time at 867-444-9032.

Yours truly,
Dominion Diamond Ekati ULC
