

2018 National Young Worker Forum Participation

YOUNG WORKERS! WE WANT TO HEAR FROM YOU.

The Alliance Executive Committee (AEC) has approved a one-time National Young Worker Forum to be held in Ottawa from December 7-9.

This forum is an opportunity for a limited number of young workers (age 35 or under) to participate in a dynamic weekend of networking and planning for the 2019-2021 cycle. The goal is to see many robust regional young worker committees thriving and more young PSAC members using these committees to plug into their union.

The objectives of the Forum are to:

- Discuss, strategize and plan to grow strong and vibrant regional young worker committees
- Network and share experiences and successes
- Identify ways in which young workers can engage in PSAC issues and campaigns in the next cycle
- Build a network that supports young worker initiatives across the country
- Identify tools and resources that will ensure success
- Engage in workshops that challenge and inspire

If you are 35 or under and this sounds like something you would like to participate in, [please complete this application by October 26 to be considered](#)
