

## TO: ALL GNWT PSAC/UNW MEMBERS

Thank you for your inquiries regarding the Mediator's recommendations and the approximate 30 days referenced in the communique to members on February 11, 2019.

We appreciate members are anxious to bring closure to a long, difficult round of Collective Bargaining and move forward. We must also acknowledge the importance of allowing Mr. Reddy the necessary time to analyze the input received from both parties in order to provide recommendations that will allow us to take the necessary actions to finalize this very important agreement for GNWT members.

Thank you for your patience. Your bargaining team eagerly waits with you.

Solidarity.
