ARTICLE 47

EDUCATIONAL LEAVEPURPOSE

- 47.01 The Government of the Northwest Territories recognizes the need to develop a Public Service capable of effectively and efficiently administering Government policy and programs. The skills and knowledge required to deliver programs can be recruited or developed from within the organization. Education Leave provides a means to meet organizational requirements through manpower planning programs as established for the Public Service or individual departments.

DEFINITION OF EDUCATION LEAVE

- 47.02 For the purposes of this Article, Education Leave is defined as leave granted, with Government assistance, to undertake full-time post-secondary studies for a period of not less than one academic year at a recognized university, community college, or technical institute.

"Academic Year" equals two (2) full program semesters, completed in succession, or completed within a twelve (12) month period.

NOTE:

This Article does not apply to Leave Without Pay which may be granted to employees for education or other purposes.

ELIGIBILITY

- 47.03 All applicants for Education Leave must satisfy the following requirements:
- (a) An employee must have three (3) years of continuous service with the Government of the Northwest Territories prior to the commencement of any Education Leave. This requirement may be waived in unusual circumstances.
 - (b) No employee may be granted Education Leave unless there is departmental evidence of satisfactory performance and potentials supported by a current performance appraisal.

LEVELS OF ASSISTANCE FOR EDUCATION LEAVE

47.04 All Education Leave includes assistance for tuition, travel costs, and one full removal in and out for the purposes of Education Leave. Allowances in lieu of salary may also be paid to employees on Education Leave. The level of assistance paid will be determined by the following criteria:

(a) Education Leave Without Allowance in Lieu of Salary

Basic assistance, as outlined above, will be paid to employees who request Education Leave to further their post-secondary education with the objective of obtaining qualifications that are generally relevant to present or future requirements of the Territorial Public Service.

(b) Education Leave with Partial Allowance in Lieu of Salary

A minimum allowance equivalent to 50% (fifty percent) of present salary will be paid to a candidate, when, in order to make the most economical use of existing manpower and to capitalize on accumulated experience, knowledge and capability, a Deputy Head selects the employee to meet an identified need rather than recruit outside the Territorial Public Service.

Recognizing that 50% (fifty percent) of salary may prove a financial burden to employees who will be continuing their studies beyond a one (1) year program, a 10% (ten percent) increase will be added to the allowance in lieu of salary in each consecutive year of study, up to a maximum of 80% (eighty percent).

(c) Education Leave With Full Allowance in Lieu of Salary

An allowance equivalent to 100% (one hundred percent) of present salary will be paid to employees on Education Leave, when:

- (i) An employee whose skills become technically obsolete requires retraining to satisfactorily carry out his/her work.
- (ii) An employee agrees to undertake a full course of studies at the request of his/her Deputy Head when qualified persons cannot be recruited to carry out essential work.

ADMINISTRATION PROCEDURES

47.05 (a) Applications for Education Leave will be accepted by the Employer between January 1st and February 15th of each calendar year. The Employer will also receive applications between September 15th and

September 30th, for employees who wish to begin Education Leave during the winter session of the university year.

- (b) Each application will include details of courses sought and the full intended length of Education Leave. The application must be endorsed by the Deputy Head of the sponsoring Department and forwarded to the Employer to be screened and processed.
- (c) The Deputy Head of the sponsoring Department must guarantee a position within the Department, or have a guarantee from a Deputy Head of another Department for a position, at a level not lower than the one presently held, to which the employee will be assigned upon return from Education Leave.
- (d) Prospective applicants will be interviewed by a Review Board, comprised of the Deputy Secretary of Human Resource Management or his delegate and the Deputy Head of the sponsoring Department, to determine justification for the leave and the level of assistance sought.
- (e) Travel costs and arrangements for the initial interview will be the responsibility of the sponsoring Department.
- (f) The Minister of Education, Culture and Employment will forward the recommendation of the Review Board to the Executive Council for approval of:
 - (i) the granting of the leave;
 - (ii) the level of assistance to be paid.
- (g) Education Leave will be granted on a one year basis. A program of studies that requires a longer term will be resubmitted annually between January 1st and February 15th. This provision will provide the opportunity for counselling, and to assess whether satisfactory progress is being made in the studies undertaken. It will also provide the Deputy Head with the opportunity to re-evaluate departmental needs in line with reorganization or other considerations.
- (h) Successful applicants will be required to sign and abide by the terms and conditions of the Leave of Absence Agreement with the Employer.
- (i) Proof of acceptance at a recognized university or community college must be submitted, along with a course outline, before proceeding on Education Leave.

- (j) Documentation and removal arrangements will be coordinated by the Employer.
- (k) Employees recommended for a consecutive year of Education Leave will normally return to regular work assignments between academic years. Travel costs and housing accommodation for temporary work assignments will be provided by the Employer and allowed at single status only.
- (l) Employees on Education Leave cease to earn leave credits, except for any period of temporary employment.
- (m) Deductions based on earnings will drop correspondingly with reduced earnings. However, superannuation deductions will be based on the full salary for the position held by the employee while on Education Leave, and will be recovered in equal instalments over a period equal to the absence.

47.06 Where a request for leave under this Article has been submitted by an employee, the Employer shall, within a reasonable period from the date of the employee's submission, advise the employee whether his/her request has been approved or denied.

ARTICLE 48

- 48.02 Such leave shall be based on an appraisal of the present and future job requirements and the qualifications of the employee applying therefor and shall be granted only to meet the identified needs.
- (a) Full or partial financial assistance in respect of salary, tuition, travelling and other expenses may be granted during such leave:
 - (i) where the employee has become technically obsolete and requires retraining to satisfactorily carry out the work; or
 - (ii) where the courses are required to keep the employee abreast of new knowledge and techniques in his field of work or to maintain certification; or

- (iii) where qualified persons cannot be recruited to carry out essential work and it is necessary to train present employees.

- 48.06 Where approved by the Employer, employees shall be reimbursed, upon successful completion, for correspondence courses and other training taking place outside of their normal working hours. This may include expenses related to tuition and course materials. Approval by the Employer and reimbursement of expenses shall not be unreasonably denied.**

ARTICLE 49

DEFERRED SALARY LEAVE PLAN

- 49.01 The deferred salary leave plan enables employees to take six months or one year of leave from the Public Service and to finance this leave through a deferral of salary in previous years.
- 49.02 Under this plan, participating employees agree to defer a portion of their salary for four or four and one half consecutive years and the Employer agrees to grant the employee leave in the fifth year or the last six months of the fifth year, and to use the amounts deferred in the previous four or four and one-half years to pay the employee's salary during the period of the leave. Participation in the plan is subject to operational requirements.

- 49.03 During the period of leave, employees may engage in whatever activities they wish **except work for the Public Service**.
- 49.04 The individual plan for each participating employee is a six year period consisting of the following:

- (2) When a day designated as a holiday under Article 16.01 coincides with an employee's day of rest the employee shall bank eight decimal four (8.4) hours as statutory leave, to be taken at a time mutually agreed between the Employer and the Employee. Consent for such leave shall not be unreasonably withheld.
- (3) Statutory leave hours shall be allotted as earned. Statutory leave hours may be advanced. Arrears may be no more than a maximum of 16 hours.

- (6) When an employee is required to work on a designated holiday as part of the employee's regularly scheduled hours of duty or as overtime when the employee is not scheduled to work, the employee shall be paid in addition to the banked statutory leave that the employee would have been granted had the employee not worked on the holiday two (2) times the employee's straight time rate for all hours worked.

ARTICLE 22

 - (vi) Attendance at mandatory training courses may be scheduled at 8 hours per day.
 - (vii) The Employer shall make every reasonable effort to ensure employees attending mandatory training courses receive one day of rest prior to attending such training.

Compensation for work on a designated paid holiday shall be compensated in accordance with the previous clauses: 16 (6) (a) and (b).

The following provisions of Article 16 shall not apply to airport firefighters covered by this Appendix: 16.03, 16.04, 16.05.

Overtime worked immediately following or immediately preceding an employee's scheduled shift shall be paid at double time (2T). The employer will designate an individual who may authorize overtime in all circumstances.
- (2) Except as provided in Article 16 (6) of this Appendix, overtime shall be paid for all authorized hours worked on scheduled days off in accordance with Article 23 - Overtime.

APPENDIX B PAY SCHEDULES

The rates of pay in Appendices B1-B4 reflect the annual rates of pay based on the applicable standard weekly hours.

Employees who as of April 1, 2000 are receiving transition and conversion allowances will have their rate of pay on March 31, 2000 added to the conversion and transition amounts pursuant to Appendix B, pages 151-152 of the Collective Agreement that expired on March 31, 2000 to determine the total pay. They will then be placed on the salary grid in a present incumbent only basis at the level closest to the pay level in accordance with the evaluation for their position at a step that is equal to or greater than their total rate of pay.

All employees, except casuals, shall take five days mandatory leave. Where the Employer is able to shut down its operations, this leave will be taken between December 19th and January 5th on days set by the Employer. Where the Employer is unable to shut down its operations, the leave will be scheduled in advance to be taken at a time that is mutually acceptable to the employee and the Employer.

Employees cannot be granted leave with pay or lieu time on the five mandatory leave days in which the operations are shut down by the Employer or which are scheduled in advance by the Employer and the employee.

Employees will have 1.92% deducted from their bi-weekly pay cheque. This amount will be used to annualize the cost of the leave on employees' pay and will only be paid to employees over the period of leave.

GUIDE CHART FOR EVALUATING
PROBLEM SOLVING

DEFINITION: Problem Solving measures the extent to which assistance or guidance in terms of instruction, procedures and guidelines is available and the activities required to resolve various situations. Problem Solving has two dimensions:

- Thinking Latitude - The extent to which assistance or guidance is available from others or from past practice and precedents.
- Situational Challenges - The nature of the problem encountered and the process used to resolve the problem.

N.B. The evaluation of Problem Solving should be made without reference to the job's freedom to make decisions or take action; this is measured on the Accountability Chart.

MEASURING PROBLEM SOLVING: All thinking requires the presence of knowledge in the form of facts, principles, procedures, standards, concepts, etc. This is the raw material to which the thinking processes are applied.

Problem Solving measures the degree to which thinking processes must be applied to the required knowledge in order to obtain the results expected of the job.

To the extent that thinking is limited or reduced by job demands or structure, covered by precedent, simplified by definition, or assisted by others, Problem Solving is diminished and results are obtained by the automatic application of skills rather than by the application of the thinking processes to knowledge.

Definition: Accountability is the answerability for action and for the consequences thereof. It is the measured effect of the job on end results. It has three dimensions in the following order of importance:

- **Freedom to Act** — The degree to which answerability for action and associated consequences is governed by supervisory or procedural control. The higher the level of this control, the lower the freedom to act.
- **Job Impact on End Result** — The degree of control the position has over the magnitude for which the job is accountable.
- **Magnitude** — The quantitative component for which the job is held accountable usually gauges the degree to which the organization is affected by the achievement of the job results.

GUIDE CHART FOR EVALUATING ACCOUNTABILITY

IMPACT: The degree of control exercised by the position over the magnitude for which the job is accountable.

A — Ancillary: The degree of control over magnitude is indirect and minimal. Position tends to involve the processing or collection of information or provides service for use by others in achieving results.

C — Contributory: The degree of control over the magnitude is indirect. Work involves interpretive, facilitative, advisory or other supporting services for use by others in achieving results.

S — Shared: The degree of control over the magnitude is direct and shared equally and jointly with other peer level positions.

P — Primary: The position has a controlling impact on end results of a given magnitude. Is the sole position answerable for these results.

GENERAL:

Working Conditions as a compensable factor is a measure of the type of conditions, in terms of frequency and duration of occurrence, under which the job must be performed. Working Conditions has four sub factors.

GUIDE CHART FOR EVALUATING WORKING CONDITIONS

- **Physical Demands:** This factor measures frequency and duration, or any *combination*, of the physical effort required by the job.

Examples of these activities include: lifting, carrying or moving material, people or objects, stretching, pulling, pushing, climbing, walking, sitting, standing, and/or working in awkward positions, or other unusual circumstances.

- **Environmental Conditions:** This factor measures the frequency and duration of exposure to adverse environmental conditions that cannot be controlled by the employee or the GNWT.

Examples of these include: toxic or unpleasant fumes, extremes of temperature, loud noise, vibration, dirt, dust, and unavoidable exposure to hazardous substances, equipment, and/or situations, infections, diseases, inclement weather, disruptions caused by work schedules and travel requirements.

- **Sensory Demands:** This factor measures the frequency and duration of sensory demands required by the job.

Examples include: the requirement for coordination, agility and dexterity of the senses, spatial acuity, judgments through senses of touch, smell, sight, sound, speed and accuracy.

- **Mental Demands:** This factor measures the frequency and duration of the mental demand required by the job.

Examples of such factors include: periods of concentration, attention to detail, dealing with unknown factors, monotonous aspects of work, interruptions, distractions or confusing influences, uncontrolled workflow and overlapping demand, exposure to emotionally disturbing experiences.

AND CHILD CARE EMPLOYEES

It is understood that the following is to provide for the interpretation and administration of Article 19.09 as it applies to Corrections Officers and Child Care Workers.

Except as provided herein the provisions of the Collective Agreement shall apply.

The parties to the Collective Agreement recognize that by allowing an employee to use four (4) special leave days at a time specified by the affected employee, Article 19.09 will provide for a degree of relief from stress caused by shiftwork and standby. Hereinafter this leave is referred to as discretionary leave. It is also recognized that the Employer must continue to be able to operate efficiently. The intent of this Letter of Understanding shall be to maintain the ability of the employee to utilize the four (4) days off provided for in Article 19.09 while ensuring that the Employer is enabled to operate efficiently.

1. Unless a shorter period of time is approved by the Employer, the use of discretionary leave under Article 19.09 will only be permitted when the employee provides forty-eight (48) hours notice.
2. Unless otherwise approved by the Employer, only one employee per shift, per squad, will be permitted to use discretionary leave at any one time.
3. Except for the reasons specified in 1. and 2. above, discretionary leave in accordance with Article 19.09 will be granted when requested by the employee.

Except as provided herein the provisions of the Collective Agreement shall apply.

A2.01 DESIGNATED PAID HOLIDAYS

The parties recognize that the shift schedule in A2.03 of this Letter of Understanding provides time off work in place of Article 16 entitlement to Designated Paid Holidays.

A2.03 (a) HOURS OF WORK

Hours of duty shall be scheduled so that the employees work a shift rotation based on seven (7) regular days "on", three (3) regular days "off" and seven (7) regular days "on", four (4) regular days "off".

The weekly scheduled hours of work of Corrections Security Shift Workers shall be 37.5.

The hourly rates of pay of Corrections Security Shift Workers will be based on the above.

The shift rotation for a particular facility may be changed through mutual agreement between the employees and the Employer if the majority (fifty percent plus one) of employees are in agreement, provided that the annual hours of work, including periodic days off, do not exceed 1946.7 hours.

- (b) Corrections Security Shift Workers shall on a daily basis, work eight (8) hours inclusive of a paid meal period of one-half (1/2) hour, and on a weekly basis, work (40) hours inclusive of paid meal periods.

- (c) In order to compensate for the reduced work week as specified in A2.03 (b) above, Corrections Security Shift Workers will earn periodic days off at the rate of one (1) day off with pay following each fifteen (15) days worked, for a total of sixteen (16) days per year;
- (d) Each year employees will be granted periodic days off in blocks of either seven (7) or four (4) days according to the request of the employee. To ensure that all periodic days are used before the end of the fiscal year, any remaining days of less than four (4) days shall be permitted. It is understood that when taking blocks of seven (7) days, it will be an entire shift of seven (7) consecutive days.
- (e) When more than one (1) employee requests time off with pay for these purposes and for operational reasons not all employees are granted the leave, length of service with the Employer shall be the sole deciding factor.
- (f) When one employee(s) applies for vacation leave and another employee(s) applies for periodic days off, the request of the employee applying for vacation leave shall receive first preference.
- (g) Subject to operational requirements, the Employer agrees that except as provided above nothing will prohibit an employee from requesting and receiving a period of leave with pay comprising any combination of vacation leave and/or lieu time and/or periodic days.

In addition, employees who have applied for and have been denied a period of periodic leave requested, shall be compensated in accordance with Article 23 of the Collective Agreement, except for a denial caused by the application of (e) and/or (f).
- (j) When an employee is required to work on his periodic day off, he shall receive his regular pay plus overtime compensation in accordance with Article 23 of the Collective Agreement, these days shall be counted in the calculation of determining the second and subsequent days of rest.

- (k) The periodic day off referred to in (c) above shall be pro-rated based on the number of days worked in proportion to fifteen (15) or thirty-one (31) as the case may be. These days off, including fractional entitlements calculated as a minimum of one (1) hour, shall be paid out in cash upon termination of employment.
- (l) Casual employees will not earn periodic days but will receive overtime payment for hours in excess or outside of the regularly scheduled hours of work, and hours in excess of the regular weekly hours of 37.50 hours per week.

The parties recognize that child care can be a significant issue for employees.

It is in the interests of both parties to reduce as many barriers to employment as possible. Insufficient child care facilities create an employment barrier. The full effect of this barrier on employment with the GNWT needs to be assessed in each community in order to determine the most effective and efficient solutions. The parties agree to engage in a joint study of this issue. The Government will provide funding, to a maximum of \$50,000, in the fiscal year 2000/01 for a joint union/management study. This study will be completed by March 31, 2001 and any actions or recommendations flowing from the study to improve or create child care facilities must:

- Support child care facilities in communities in the north;
- Look at creative ways of enhancing child care, taking into consideration the differing needs in communities in the north;
- Support the development of a northern workforce; and
- Support quality, affordable and accessible child care.

The parties agree to meet to initiate discussions on this joint study within 30 days of the signing of the Collective Agreement.

THE GOVERNMENT OF THE NORTHWEST TERRITORIES
AND
THE UNION OF NORTHERN WORKERS

The parties agree that the Hay Job Evaluation guide charts when used in conjunction with benchmark positions either set out in the Job Evaluation Manual or to be included therein, must be such as to provide for gender neutral job evaluations. The parties also agree that the job evaluation appeal process under Article 36 of the Collective Agreement has been devised to provide a joint and independent process for ensuring that each individual job evaluation result is gender-neutral.

Therefore, the parties agree to the following process:

- (1) The Deputy Head shall, at the end of each month, refer all appeals that have been received in the applicable month to a Job Evaluation Appeal Board under Article 36.04(1).
- (2) The Job Evaluation Appeal Board shall group positions under appeal that may be the same or similar and select one or a small sample of positions to determine whether the evaluations are proper. If a unanimous evaluation decision is not reached, the selected position(s) shall be referred to the Job Evaluation Review Board for a majority evaluation decision.
- (3) The Deputy Head shall implement the evaluation decision in (2) above for the selected position(s). The Deputy Head shall also forward the evaluation decision from (2) above along with all the other positions under appeal in (2) above to the appropriate Departmental Job Evaluation Committee. The Departmental Job Evaluation Committee shall examine the evaluations for all the other positions under appeal taking into account the evaluation decision in 2 above. The Job Evaluation Committee shall also examine the evaluations for other positions that might be impacted by the evaluation decision in (2) above. The Job Evaluation Committee shall forward the results of its examination of the job evaluations for the other positions under appeal and other impacted positions to the applicable immediate supervisor.

- (4) The Immediate Supervisor or a representative of management who is knowledgeable in the Job Evaluation System shall discuss the evaluation results from (3) above with the employee. The employee has the right to accept the results, or, in the case of a position already under appeal, ask that the appeal be pursued under Article 36.04 and, in the case of an impacted position, appeal the evaluation decision. If accepted, the results will be implemented in the same manner as the decision(s) in (2) above were implemented. If the results are not accepted, the original appeal or a new appeal as applicable will be decided under Article 36.04.

The parties further agree to compile and update an addendum to the Job Evaluation Manual that contains all the decisions with respect to job evaluation appeals. The addendum shall contain the job description, organization chart, the job evaluation string results and rationale for each appeal decision. The addendum shall become an additional tool to assist the Departmental Job Evaluation Committees with the evaluation of positions and the Job Evaluation Appeal and Review Boards in deciding future appeals under Article 36.04.

Ms. Jackie Simpson
President
Union of Northern Workers
SUITE 200 5112 nd STREET
YELLOWKNIFE, NT X1A 1T6

Dear Ms. Simpson:

1989/99 Collective Bargaining

I am replying to your letter of January 5, 1999.

We would be pleased to provide you with five more complete copies of the Job Evaluation Manual. Copies are being made and will be delivered to your office as soon as the work is completed.

You already have a complete copy of the Job Evaluation Manual. Our records show that we provided you a complete copy in March of 1998. However, we did not keep a replica on our bargaining file and it was not until December 12, 1998 that we were informed that the benchmark job descriptions may not have been received. We have kept an exact replica of the complete Job Evaluation Manual that was provided to Mr. Chris Jones during collective bargaining at 2:00pm on December 13, 1998.

In your letter you made reference to accompanying rationales. It was not our intention to include rationales in the Job Evaluation Manual for benchmark positions. An interdepartmental Job Evaluation Committee selected the benchmark positions. The criteria for benchmark positions were that: (1) Positions be clearly described and well understood, (2) Positions be the same as or similar to other positions within the organization, and (3) There be a clear consensus on the evaluation result for each selected position. We have done some preliminary work in developing a possible executive summary or "rationale" for each benchmark position for use on HR Expert for quick reference and audit review purposes. However, it was not our intention to include these in the Manual. We want to ensure that the Departmental Job Evaluation Committees make their evaluation decisions based on a thorough understanding of the benchmark job description rather than rely on an executive summary.

.../2

-2-

In your letter you mentioned that you need to examine the evaluation results for benchmark positions before you can agree that the results are gender-neutral. You were given all the information that the GNWT advisors used in their analysis. You had access to job evaluation specialists with PSAC to do the analysis and you had access to your members to verify job content. You had access to this office to obtain additional information and to clarify any of the information that we had provided. We even offered a process for a joint review of the benchmark positions that you accepted but later decided not to attend. We were very surprised to find out during mediation that your Job Evaluation and legal advisors had not provided you with any analysis of this information. Indeed, it was evident during mediation that your Job Evaluation Advisor had not so much as examined the Job Evaluation Manual that you had forwarded to him in March of 1998.

In Mediation, rather than dwell on why you had not arranged for your own analysis of the Job Evaluation Manual and job evaluation results, we focused on trying to find contract language that would enable us to conclude a collective agreement that we could recommend to our principals for ratification. The contract language that we had proposed for Article 36 and the Job Evaluation Review Memorandum which was amended by the Mediator provides a process for resolving any disputes that may arise concerning any job evaluation result including the results for benchmark positions. The proposed contract language provides the ability for the parties to add new benchmark positions to the Job Evaluation Manual.

We would hope that it is the union's intention to do its own comprehensive analysis of the information provided to satisfy itself that the job evaluation results for benchmark positions are gender neutral. The proposed contract language provides a process for the union and employees to select any position including any benchmark position where there may be concerns warranting a joint and, if necessary, an independent and binding review. The proposed contract language provides flexibility for the parties to agree that all benchmark evaluations submitted for an independent review be decided by the same independent person or even by the same Board members.

.../3

The types of issues you raised appear to be administrative and can be dealt with during the term of the Collective Agreement either by the parties or by the joint review and independent review boards. I hereby give you our assurance that the GNWT will not oppose any request by the UNW for a joint and independent review of any benchmark position.

It is now up to the UNW to decide whether to also accept the Mediator's recommendation and submit the proposed Collective Agreement to employees for ratification.
