

Bargaining Update

To PSAC / UNW / Local 3050 Members Working at Dominion Diamond Ekati Corporation

April 28, 2016 – Your Bargaining team was back at the bargaining table on April 26th, 27th, 28th hoping to reach a tentative agreement with the Employer.

It has been 20 months since the parties first started bargaining and your team felt it was important for you the union members to see what the employer is offering. Although we were unable to reach a tentative agreement, the employer has tabled an offer that the Union will be bringing back to the bargaining unit for a ratification vote.

Your bargaining team will not be recommending acceptance of the employer's offer.

A ratification kit detailing the Employer's offer will be posted within the next few days. Membership information meetings and a ratification vote will be held at the Ekati site the weeks of May 16 and May 20, 2016. The employers offer will be explained in detail and bargaining team members will be on hand to answer questions.

It has been the goal of the bargaining team to reach a fair and reasonable agreement and we will continue to focus on achieving a positive outcome and an improved collective agreement for our members at Ekati.

Your solidarity and support of your Bargaining Team is greatly appreciated.
