**Bargaining Communiqué**  
**To: All UNW/PSAC Members who are GNWT Employees**  
**MEDIATION SET**

---

Mediation set for October 2018.

The UNW and the employer have agreed upon a target date for mediation to take place.

Mediation is scheduled for October 25 to 27, 2018 in Yellowknife. Although we had hoped to get mediation earlier than this, these were the available dates for all three parties.

The mediator chosen by both parties is Mr. Vince Ready, from Vancouver, BC. Mr. Ready has been active in mediation since 1978 and in 1982 established his private arbitration/mediation practice. He is named as an Arbitrator/Mediator in over 600 Collective Agreements. He has arbitrated and/or mediated over 7,000 labour and commercial disputes in Canada,

The UNW Bargaining Team is committed to working with the Employer to ensure our members receive a fair deal.

We have been fighting this tough employer on many fronts and our negotiators for NTPC are still engaged in discussions with respect to selecting a mediator and dates for mediation to take place.

Please stay tuned for further communications from your Union.
