December 6, 2016

[Upcoming Dates and Need to Know Items](#)

Good day Union Members working with the GNWT!

The Union of Northern Workers is working hard in the final weeks of 2016 to engage members and strengthen our communication as we prepare for the next round of collective bargaining with the Government of the Northwest Territories.

We have a number of important dates below of which we ask members to take note and attend.

The union has also been hard at work trying to reach all members with a recent [mail-out](#). While we originally had a Nov. 30 deadline, we are asking members to continue to provide feedback to the Bargaining Team by emailing us at gnwtbarg2016@unw.ca.

A number of members have responded to date and we have compiled comments and questions in an information package that we are calling "[What Members are Saying...What Members Want to Know](#)".

Once again your participation is important and we ask for you to keep in touch and stay connected with your Local executives.

"The Mission of the Union of Northern Workers is to inspire, engage and empower workers and community through quality education, effective representation, model public service and political action."
